My Immortal Lyrics:

I'm so tired of being here
Suppressed by all my childish fears
And if you have to leave
I wish that you would just leave
'Cause your presence still lingers here
And it won't leave me alone

These wounds won't seem to heal
This pain is just too real
There's just too much that time cannot erase
When you cried, I'd wipe away all your tears
When you'd scream, I'd fight away all your fears
And I held your hand through all of these years
But you still have all of me

I've tried so hard to tell myself that you're gone
But though you're still with me
I've been alone all along

When you cried, I'd wipe away all your tears
When you'd scream, I'd fight away all your fears
And I held your hand through all of these years
But you still have all of me

I've tried so hard to tell myself that you're gone
But though you're still with me
I've been alone all along

These wounds won't seem to heal
This pain is just too real
There's just too much that time cannot erase
When you cried, I'd wipe away all your tears

When you'd scream, I'd fight away all your fears
And I held your hand through all of these years
But you still have all of me

(Instrumental)

I've tried so hard to tell myself that you're gone
But though
