Section 1: Vocabulary Reinforcement

The vocabulary section of Realidades 1, Prueba 5a is designed to ensure that students have a solid grasp of the words and phrases introduced in the unit. These questions often involve matching words with their definitions, filling in blanks in sentences with the appropriate vocabulary, or identifying images that correspond to specific terms. Common themes include household chores (lavar los platos, pasar la aspiradora), daily routines (despertarse, acostarse), and activities (jugar al fútbol, leer un libro). Mastering this vocabulary is foundational for constructing meaningful sentences and understanding spoken and written Spanish.
