The California DMV written test is a mandatory examination for anyone applying for a driver's license in California. It assesses knowledge of traffic laws, road signs, and safe driving practices. The test consists of multiple-choice questions, and applicants must achieve a passing score to proceed with the licensing process. The exam is designed to ensure that all drivers understand the rules and responsibilities of operating a vehicle safely on California roads.

Test Format and Content

The written test typically contains 36 questions for adults and 46 questions for teen drivers under 18 years old. The questions cover various topics, including traffic laws, road signs, right-of-way rules, and safe driving techniques. To pass, applicants must answer at least 30 questions correctly (for the adult test) or 38 questions correctly (for the teen test). The test is timed, usually allowing 45 minutes to complete.

Languages Offered by the California DMV

The California DMV provides the written test in multiple languages to accommodate non-English speakers.
